International Conference on  
Population and Development  
Beyond 2014

# ICPD: population redefined

# ICPD: population redefined

- Population challenges & opportunities
- Gender equality and empowerment of women
- Sexual and reproductive health and rights
- Access to education, especially for girls
- Urbanization, migration and environment
- Sustainable economic development
- Participation of civil society

# ICPD beyond 2014

## UN General Assembly Resolution 65/234:

- Extended the ICPD
- Called for:
  - a comprehensive review of progress
  - identification of remaining challenges
  - recommendations for moving forward
- Integration population in global processes

# ICPD beyond 2014 – desired outcomes

- Renewal of political support for the ICPD Programme of Action
- Priorities for future implementation
- No roll back
- Full integration into the post-2015 development agenda
- An agenda owned by all

# Why is this important?

A strong action-oriented, rights-based outcome will support :

- Advocacy
- Accountability
- Addressing the unfinished agenda

# Why is this important?

*“We commit to looking ahead to ensure that ICPD’s continuing and emerging priorities and concerns are reflected in the ICPD Beyond 2014 discussions and reporting, as well as ensuring that these issues of basic human development are included in the goals and targets being developed through the post-2015 development agenda processes.”*

- Istanbul Statement of Commitment:  
Keeping Promises – Measuring Results, 2012
