Intern, [Suva, Fiji]

Job title: ICT Assistant
Location: UNFPA Pacific, Suva, FIJI
Full/Part-time: Full-time
Duration: 6 months

The Position:

Under the overall guidance of the ICT Associate the Intern provides daily technical support to end-users on the day to day basis technical issues and assist ICT Associate with technology infrastructure. ICT Intern promotes a client-oriented approach.

About UNFPA and How You Can Make a Difference:

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled. UNFPA's strategic plan (2022-2025), reaffirms the relevance of the current strategic direction of UNFPA and focuses on three transformative results: to end preventable maternal deaths; end unmet need for family planning; and end gender-based violence and harmful practices. These results capture our strategic commitments on accelerating progress towards realizing the ICPD and SDGs in the Decade of Action leading up to 2030. Our strategic plan calls upon UN Member States, organizations, and individuals to "build forward better", while addressing the negative impacts of the COVID-19 pandemic on women's' and girls' access to sexual and reproductive health and reproductive rights, recover lost gains and realize our goals.

The UNFPA Internship Programme offers outstanding students the opportunity to acquire direct exposure to UNFPA operations. It is designed to complement development-oriented studies with practical experience in various aspects of UNFPA work.

Applicants should have expressed interest in the field of development; ability to adapt to new environments and work with individuals from different cultural backgrounds. Interns work as part of agile teams that support and hold each other accountable. In addition, they will have supervisory support from an assigned UNFPA staff member.

You would be responsible for:

KEY RESPONSIBILITIES

- Provides daily on-site support on the usage of software and hardware to the end-users;
- Assist staffs to connect and troubleshoot with Virtual conferencing platforms;
- Assist ICT team with on-going Projects;
- Server and Network Administration.

Your Education:

Final Year student at University or have recently completed Bachelors in Information and Communications Technology, Information Systems, Computer Science, Information Systems, Cybernetics or related field.

Your Experiences:

- No experience required.
- Fluency in English. Knowledge of other languages is an asset.
- Initiative, sound judgment and demonstrated ability to work harmoniously with staff members from different national and cultural backgrounds.

Financial Aspects:

Interns do not receive a salary or any other form of remuneration from UNFPA. The costs associated with an intern's participation in the programme must be assumed either by the nominating institution, which may provide the required financial assistance to its students, or by the students themselves, who will have to meet living expenses as well as make their own arrangements for accommodation, travel and other requirements. However, they receive a stipend to help cover basic daily expenses related to the internship, if not financially supported by any institution or programme, such as a university, government, foundation, or scholarship programme. The amount of the stipend varies according to the duty station. In addition, applicants must have medical insurance for the duration of the internship. Proof of insurance will need to be submitted before the internship begins. UNFPA does not provide medical insurance for interns.

How to Apply
