

Title: Reproductive Health Commodity Security (RHCS)

Programme Analyst, NOB, Fiji (Temporary Appointment)

Call to Action

- Are you result driven and can you work well in teams?
- Do you have a keen eye for detail and can you ensure high quality and accuracy of work?
- Can you multi-task, prioritize and manage programme outcomes?
If so, this might be the job for you.

How You Can Make a Difference:

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled. UNFPA is seeking candidates that transform, inspire and deliver high impact and sustained results; we need staff who are transparent, exceptional in how they manage the resources entrusted to them and who commit to deliver excellence in programme results.

Job Purpose:

The RHCS Programme Analyst will be part of the UNFPA Technical team, which provides integrated programme and technical support within a system strengthening approach fundamental to implementation of UNFPA Supplies program's overall strategy in the Pacific. The RHCS Programme Analyst will contribute to ensuring that a national contraceptive supply and a logistics management system is effective and efficient in the context of reproductive health commodity security (RHCS) in the 14 Pacific Island Countries

Qualification and Experience:

Your Education

- Minimum Master's Degree in field of Social Sciences, Health, Public Health, or in a related field with experience in the area of contraceptive logistic management is required.

Your Experience

- Minimum of Two (2) years of professional experience in reproductive health/family planning or contraceptive logistic management or related field is required. At least 1-year experience in the area of RHCS and Supply Chain Management.
- Thorough understanding of the social, economic and political context of Pacific Island Countries is desirable.
- Possess good technical drafting and report/proposal writing skills and presentation and interpersonal communication skills.
